Bight from the Parturies.

and, second, because they related to no duty that the constitution or law imposed upon the senate. Is there any, to-morrow so that he might look into it, thing, said Mr. Pugh, in the bistory of the gaverament to support this claim? The distinguished senator from Vermont has presented senator from Vermont has presented a long array of what he calls precedents. The senatative adjourned leaving the along array of what he calls precedents. Educate resolution the unfinished business. Mr. Grace, who had an admit ness for 2 o'clock, Mr. Wisson of lows ralty suit before the United Strates district court was easted in the private, or inner, court, was scated in the private, or inner, office of the clerk when Bron entered. The sult happened to be sgainst a friend of Brous, and the latter had interested atis that?" said Mr. Harris, "a store transmitted on the order of the store and at the or public mession on the order of the tive or public mession on the order of the committee of the whole senate upon an attorney-general or the committee of the whole senate upon an attorney-general or the committee of the whole president. My venerable and distinct that indicated that he was about that indicated that he was about the vibilities which in the committee of the whole of the whole senate upon an attorney-general or the committee of the whole of the committee of the whole of the whole of the president. My venerable and distinct that indicated that he was about the vibilities of the whole of cause he carried, and then Grace drew his revolver and fired, the ball leflicting a mortal wound. Brou stageered but did not retreat a step. Again he iffied his cane all struck his antagonist across the face through as before with a second shot, which struck Brou in the chest indeed it was impossible to mass him, as the men steed within a few feet of each other. By this time Br u had got his plated out and a number of shots were dred, the contract of the chest indicated by a vote of the contract of the co the men facing each other resolutely, when Grace's pistol refused to fire any more and he turned and ran as if to escape from the room. There had been a number of people in it when the firing began, but they had scattered at the first shot, and the room, which had a spring lock, was thus locked on him. Grace ran into the outer room to escape, pursued by Brou, who struck him over the head with his pistol. He tried the other door sud found it also had a spring lock with first shot, and the sore cape that the continue coming in escape, pursued by Brou, who struck him over the head with his pistol. He tried the other door sud found it also had a spring lock of a mach better quality than the old coal. Mr. Stephens will at once open this shart and have the other door sud found it also had a spring lock of a mach better quality than the old coal. Then seem to imagine that I have nothing to attend to but their individual and have the other door sud found it also bad a spring lock, was thus locked on him. Grace ran into the outer room to escape, pursued by Bron, who struck him over the head with his pistol. Is tried the other door and found it also locked by a spring. This was the last of the fight seen by the outsiders, for the two men were left shut up in the room to continue the fight seen by the outsiders, for the two men were left shut up in the room to continue coming in every day and referrate their statements. Them seem to imagine that I have nothing to attend to but their individual wnims. When their cases come to trial, it is very rarely that they can be found found our discounter.

A Golden Wedding.

A Golden Wedding. cary committee, addressed to the attorney-general, which Mr. Pugh would read to the secate Mr. Pugh then which had been established had affected in the least the moral tone of the least the moral tone of the least the moral tone of the local tone of the least the moral tone of the nation.
